WHERE DISCIPLES LEARN

CURRENT STUDY: THE NARROW PATH

Join us this year for *The Narrow Path*, a Messianic Jewish small-group Bible study exploring the practical teachings of Yeshua and the path of faithful discipleship that leads to eternal life.

OUR CLUB COMMUNITY

Torah Club gets people back into the Bible and causes the Bible to come alive by restoring a Jewish foundation. Torah Club aspires to help people know Jesus (Yeshua) and His message better while teaching us how to apply the Bible practically to our lives.

It's a prophetic certitude that Yeshua's disciples will come alongside, partnering with Israel in God's eternal plan for the Jewish people. Begin today by finding a local, in-person Torah Club. If that is not possible, join an online Torah Club. You will connect with other believers devoted to the same journey of discovery and spiritual growth.

May we bring honor to our Messiah Yeshua and help restore His kingdom in our day.

We are excited about the potential of welcoming you into our community of Torah Club learners.
