## TORAH CLUB

THE SENT ONES: The Torah Club track beginning in October 2024 will be a year-long study through the book of Acts.

"You have much to look forward to with this new Torah Club track!"

### New Year, New Track

Damian Eisner

It has begun! It's that time of year when our staff goes into high gear preparing for the new track of Torah Club. Yes, *The Sent Ones* officially begins in October 2024 with the turn of the Torah cycle, but the work to bring it to you started months ago. As you probably know from our communications thus far, this new track is derived from *Chronicles of the Apostles*, the Torah Club commentary set on the book of Acts. It explores the early history of the *ekklesia*, the community of Yeshua followers, and the triumphs and challenges faced by the apostles as they took the commission of our Master to the world. This track offers an incredible opportunity to reach a new audience eager to understand the foundations and history of "the church" and their faith.

Our previous Gospel-based track, *Jesus, My Rabbi*, demonstrated the immense interest and excitement people have in learning about the Jewish Jesus. We saw significant growth in Torah Club membership as new students and leaders joined, eager to deepen their understanding. We anticipate a similar trend with *The Sent Ones*, but spreading the word is crucial to realizing this potential.

To all our dedicated Torah Club Leaders and Students, you have much to look forward to with this new Torah Club track! The stories of the apostles' perseverance and victories offer encouragement and inspiration, especially in our challenging times.

Moreover, you can share the study details with everyone, knowing that a track like *The Sent Ones* speaks to an even broader audience of disciples. Point them to all the promotional resources we'll be sharing with you soon—*The Sent Ones* landing page, a sample workbook, and more. You have an excellent opportunity to expand your clubs by inviting these curious, new individuals who may not have previously considered the Jewish foundation of their faith but are eager to learn.

By sharing the exciting journey ahead with *The Sent Ones* and the experience you've already had as a Torah Club Leader or Member, you can offer an invaluable learning experience to a receptive audience and inspire them to connect to the foundations of their faith in a life-changing way.

#### Torah Club Vision

Communities of disciples all over the world seeking the kingdom together.

#### Torah Club Mission

To establish local families of disciples within a larger global learning-community, working together to seek first the kingdom, spread the knowledge of God, and raise disciples for Messiah.

The background of the poster is a dark green field filled with various autumn-themed illustrations. At the top, numerous vertical strings of small, glowing yellow lights hang down. Scattered throughout the background are various types of leaves in shades of brown, orange, and green, as well as several mushrooms, including a prominent red-capped one with white spots. The central text is framed by a dark green rectangular area with rounded corners.
